About A Musical Feast:

In 2015, Twin Towers Senior Living Community and The University of Cincinnati College-Conservatory of Music (CCM) partnered to create a unique artist-in-residency program. In the third year of our relationship with CCM, six students call Twin Towers home while showcasing and refining their talents through monthly concerts for the enjoyment of our residents. As Life Enriching Communities' (LEC) largest and most impactful fundraising event, *A Musical Feast* showcases the high level of skill these CCM artists bring. The evening includes distinctive musical performances by our artists, fine dining, a raffle, and auction! Together with corporate partners like you, in 2017 we raised over \$104,000 and in 2018, we hope to raise \$120,000, allowing us to impact even more lives!

What A Musical Feast Supports:

As life expectancies continue to rise and health care continues to improve, the aging population and need for senior services continue to grow. Funds raised through *A Musical Feast* support the many needs throughout LEC, including...

Benevolent Care Fund: As the cornerstone of our ministry, this Fund ensures residents of Twin Towers and Twin Lakes who have outlived their personal financial resources or experienced a catastrophic event continue to live in their home, receiving the highest quality care and service. In 2016, LEC provided \$893,000 in Benevolent Care to 48 residents in need.

Cost of Healthcare in Excess of (Medicaid) Reimbursement: LEC also provides long-term care for seniors on Medicaid (individuals with less than \$1,500 in total assets). Unfortunately, Medicaid reimbursement only covers a fraction of the real cost of long-term care. In 2016, LEC subsidized \$3,661,000 in long-term health care for residents in need.

About Life Enriching Communities:
