Dear Friends,

By the time you read this message in the February Press, I will no longer be your chaplain. I will be preparing to start my new position as a parish pastor. I want you to know that serving as your chaplain has been a tremendous joy and blessing for me. It has been my privilege to be a part of each of your journeys. I have enjoyed getting to know each and every one of you and working with you – residents, associates, and the leadership team. You have made a lasting impression on my heart. Thank you for allowing me to be a part of this wonderful community for the last three years. You will remain in my thoughts and prayers as you continue to expand and move ahead into a very bright future. I know you will offer the next chaplain the same love and support you gave me, and you will be blessed by his or her ministry with you. God's peace, love, and blessings to you!

# A NOTE FROM JIM

“Little Bit About Your AIT.”

Hello, everyone, I am Morgan Burgess. I am your AIT or Administrator In Training here at Twin Lakes. I have met several of you already, but, for those of you whom I have not met, I want to introduce myself. I went to Milford High School and have lived in Ohio since I was three years old. Now I go to Bowling Green State University and will be graduating with my Bachelor's degree in May.

My degree will be in Gerontology with a specialization in Long Term Care Administration. After graduation I will be eligible to sit for my administrator's license, and my hope is to be an executive director or an administrator of my own community one day. My internship here at Twin Lakes will need to be 800 hours. Many people ask why I decided to major in Gerontology. Truthfully Gerontology was not my first major. I wanted to be a Speech Therapist, but I was told that the field was too competitive and that I should consider changing my major. Some of you may know that older adults often need to see Speech Therapists for issues with swallowing, so for my Speech Therapy classes I had to take a gerontology class. I fell in love immediately! I finally felt that I could make a difference in people's lives.

Being an administrator I will have the power to make decisions that will impact everyone in the facility, but I will also get to interact with residents on a day to day basis. I am so blessed to be studying under Jim Mayer, especially while Twin Lakes is undergoing such a large expansion. Jim has included me in all the planning meetings, and I am trying to soak up as much information as possible. I really feel like part of a family here at Twin Lakes.

I would like to thank all the residents whom I have met so far. Everyone has been so kind, and you have made it definite that I have gone down the right career path. If we haven't met yet, please stop by and say hello. In fact, just come find Jim, and I'm likely to be only a couple of steps behind!

Morgan Burgess

**HAPPY ST. VALENTINE'S DAY WISHES FROM THE CAMPUS SHOP TO ALL OUR RESIDENTS, ASSOCIATES AND CUSTOMERS. PLEASE SHOW YOUR LOVE BY PATRONIZING THE CAMPUS SHOP.**

**THE GOOD NEWS IS THE CAMPUS SHOP HAD A NET PROFIT FOR 2016 OF \$8,325.23.**

**PLEASE PATRONIZE FRIENDS OF TWIN LAKES VALENTINE CANDY AND CUPCAKE CART ON FEBRUARY 13 AND 14.**

Trivia tells us that one billion Valentine Day cards are sold each year. Please buy your cards at the Campus Shop. We have beautiful cards for \$1 plus tax, and we have Ann Flourney handcrafted cards priced as marked. We certainly will not sell a million, but we would like you to help us sell a large number.

The Campus Shop has a wonderful selection of jewelry, scarves, decorative items and many gifts appropriate for St. Valentine's Day.

The new line of greeting cards from Heartland Greetings, Inc. is now in the Campus Shop in the racks and on one of the spinners. Please check them out and give any feedback. We think all occasions are covered, but let us know if we are missing any. A nice gift for any occasion is our Campus Shop \$1 gift certificate which can be used for any non-taxable items. These gift certificates, one or several, make a very nice enclosure with any card for St. Valentine's Day, a birthday, or just a way to say "thank you" to anyone.

We will continue our "after Christmas" sale into February. Get some of your shopping finished for the 2017 holidays. Check the cart and the shelves marked "Sale." Due to the continuing popularity of adult coloring books, the Campus Shop continues to carry them along with Crayola Coloring Pencils. Visit the Campus Shop and see what we have.

Have you renewed your membership in Friends of Twin Lakes for 2017? We would like to have every resident, every associate, family members, and friends in our roster. When we have fundraising events, we need a lot of auxiliary members to help us make these events a success. All membership forms should be directed to Joan Mettey, Membership Chair, at Central campus internal mailbox 1128. It is very important that the check be made payable to "Friends of Twin Lakes." Thanks.

## Punxsutawney Phil Thursday, February 2nd

Groundhog Day, February 2nd, is a popular tradition in the United States. It is also a legend that traverses centuries, its origins clouded in the mists of time with ethnic cultures and animals awakening on specific dates. Myths such as this tie our present to the distant past when nature did, indeed, influence our lives. It is the day that the Groundhog comes out of his hole after a long winter sleep to look for his shadow. If he sees it, he regards it as an omen of six more weeks of bad weather and returns to his hole. If the day is cloudy and, hence, shadow less, he takes it as a sign of spring and stays above ground. Let's hope for an early Spring! Happy Groundhog Day!

# The Connection

Dear Twin Lakes,

Farewell!

All right, maybe we shouldn't be quite so formal. It does feel a little bit dramatic, doesn't it? Sort of like you're standing on a deck of a ship, waving to a crowd that's screaming, "BON VOYAGE", over the sound of the loud horn. I am writing because I will miss all of you (residents, associates & my Connection Team). Working with you for the past year and nine months has been great and I have enjoyed every minute of it. It has felt more like a hobby than a job.

Thank you so much for your support and friendship. I am grateful to have had the chance to work with such an incredible group of people.

Stay WELL in Wellness,

Jon Williamson

## Live Now, Give Later!

**A Gift in Your Will Is the Budget-Friendly Solution to Your Charitable Goals.  
Support Twin Lakes With a Gift in Your Will!**

## A Gift in Your Will

**The Smart Solution That Lets You Live Now and Give Later.**

Between paying your bills and just enjoying life, there are many demands on your wallet. Yet you still want to support Twin Lakes Senior Living Community because it's been important in your life.

Leaving Twin Lakes a gift in your will is the perfect gift that satisfies your charitable desires and ensures that you and your family have the resources you need. A gift in your will has these benefits:

- **Simplicity.** As little as one sentence in your will is all that is needed:

*"I give and bequeath the LEC Foundation/Twin Lakes Retirement Community (tax identification number: 06-1708088), located in Cincinnati, OH, the sum of \_\_\_\_\_ dollars (\$ \_\_\_\_\_) **OR** \_\_\_\_\_ percent (\_\_\_ %) of the rest, residue and remainder of my estate **OR** the following described property: \_\_\_\_\_."*

- **Flexibility.** Because you are not actually making a gift until after your lifetime, you can change your mind at any time.
- **Versatility.** You can structure the gift to leave a specific item or amount of money, make it contingent on certain events, or leave a percentage of your estate to us.

## The Smart Choice: Giving a Percentage

If you're thinking about leaving us a gift in your will, determining exactly how much to give when you don't know what the future holds can be tricky. That's why including a gift of a percentage of your estate is a smart option. That way your donation remains proportionate to your estate size, no matter how it fluctuates over the years.

## Toot Your Own Horn

If you have already included a gift to Twin Lakes Senior Living Community in your will or trust, please let us know. That way we can ensure that your gift will be used exactly as you intend. Plus, it would be our honor to thank you for your gift.
