A NOTE FROM JIM

Being an Executive Director of a Senior Living Community with over 330 residents and over 180 associates, along with our tremendous growth, can be somewhat challenging on a daily basis.

In July, I sent around a survey asking you to rate our services by departments and by an overall rating of our community. Over 60 percent of the surveys were completed and submitted. So I first would like to thank you for all your positive suggestions. There were many written comments that are very helpful and great ideas to make your living here at Twin Lakes excellent!

One example of a suggestion was that the menu in the dining room needs some attention. As a result of that idea, Adam held a dining symposium in the Chapel last month about our new dining menu. Other implementations of ideas will follow.

I now will meet with Department heads to implement many of your suggestions now, and the remainder will be actively discussed later. I hope that all of us will participate in this project to further Twin Lakes' successful present and future.

The departments surveyed with the manager's name were:

Connection/Events & Programs – Jon Williamson
Dining and Café – Adam Shaffer
Housekeeping – Ginger Johnson
Maintenance – John Viox
Transportation- Steven Ledwin
Welcome Center/ Life Safety – Pauline O'Leary

In the last part of the survey, 88% of you rated living here at Twin Lakes as very good to excellent and over 93% would recommend Twin Lakes to others.

In June, we also surveyed the associates asking them to rate their experience of working here at Twin Lakes. Over 87% of associates are very engaged and over 95% would recommend Twin Lakes to a friend as an employer. Probably the best result of the associate survey was that in 2014 only 32 surveys were completed in contrast to the 137 surveys completed this June. Outstanding!

Even though being an Executive Director sometimes is tough and making hard decisions have to be made, I really try to be very empathetic when deciding on big issues. However, it is my job to keep this community a great place to live and work. I really do look at Twin Lakes' associates and residents as an extended family, so it does sincerely hurt when a resident or an associate leaves this wonderful community.

Again as always thank you for living here at Twin Lakes. I consider this a privilege to be here with all of you.

WHEN YOU PATRONIZE THE CAMPUS SHOP, YOU CARE AND PASTORAL CARE

A visit to the Campus Shop will find it decorated with the colors of autumn. Lovely gift items are always available. You will find lovely scarves, birds, turtles, boxes of note cards, Halloween and Thanksgiving decorations and more.

Our Sale Cart continues with greeting cards for family members at 2 for 75 cents, plus tax. Christmas cards are at very reasonable prices of 50 cents each and some boxed cards are bargain priced. The Sale Cart is ever changing.

Check it out frequently.

Halloween cards and more decorations will be arriving later in September. Shop as soon as they arrive because both the cards and the decorations sell out fast.

The Campus Shop has many different coffees as well as breakfast tea and green tea and milk chocolate cocoa and dark chocolate cocoa. Support Benevolent Care and Pastoral Care Funds by purchasing your coffee, tea and cocoa at the Campus Shop. Show your 2016 "Friends of Twin Lakes" membership card and receive a chance to win the monthly drawing. Dorothy Tate, resident, was our June winner and Ryan Wooley, associate, was our July winner.

There will be many warm days in September when you can enjoy healthy frozen fudge bars (80 calories), fruit popsicles come in pineapple, tangerine, grape and strawberry (only 60 calories), as well as Snicker ice cream bars, Klondike ice cream bars and Drumsticks. Treat yourself before or after you take a walk.

We continue to work on reaching our goal of 100% membership of all residents and associates in "Friends of Twin Lakes," our auxiliary. As this is written, we have 220 residents, 42 associates and 28 community members. Call Joan Mettey, Membership Chair at X1828 to secure a membership form or pick up a form at the Campus Shop.

General Membership is \$10. Looking forward to hearing from our new residents.

The Campus Shop will be closed on September 5, in honor of Labor Day. Our very loyal volunteers deserve a day of rest and relaxation.

Please do not let all the construction keep you from the Campus Shop. We need you.

SPIRITUAL

Catholic Mass Sunday Ecumenical Worship Service

Catholic Mass is celebrated every Wednesday morning in the Chapel at 10:30am. Because of the solemnity of the celebration, please arrive a few minutes before Mass begins.

All Are Welcome! Come As You Are!

-On Monday, September 5, our nation will observe and celebrate Labor Day. While the Labor Day weekend is often filled with cookouts and travelling, the original intent of those who advocated for the establishment of the holiday was to honor the contributions of America's workers and tradespeople to our nation's prosperity and well being. Some in our modern world have expressed hope that technology and machines will minimize the amount of work necessary to create goods and services, thus creating more leisure time. Wendell Berry, however, reminds us that the work that we do, or have done in our lives, should be understood as our calling – an integrated part of our lives that gives us opportunities to exercise our gifts and talents. According to Berry, "The old and honorable idea of 'vocation' is simply that we each are called, by God, or by our gifts, or by our preference, to a kind of good work for which we are particularly fitted. Implicit in this idea is the evidently startling possibility that we might work willingly and that there is no necessary contradiction between work and happiness or satisfaction." May this Labor Day be a reminder to celebrate the work we have done and the work we are engaged in and to affirm the work of those around us. Have a blessed Labor Day and a blessed September! -Chaplain Paul

1942, Rated PG, 102 mins.

S a t u r d a y , S e p t e m b e r 3 r d

In this Oscar-winning classic, American expat Rick Blaine (Humphrey Bogart) plays host to gamblers, thieves, and refugees at his Moroccan nightclub during World War II ... but he never expected Ilsa (Ingrid Bergman) - the woman who broke his heart -- to walk through that door. Ilsa hopes that with Rick's help, she and her fugitive husband (Paul Henreid) can escape to America. But the spark that brought the lovers together still burns brightly.

It's a wonderful film. Frank Capra's inverted take on A Christmas Carol stars Jimmy Stewart as George Bailey, a good man who's spent a lifetime giving up on his dreams in order to keep life in his small town humming. When a guardian angel named Clarence finds a despondent George poised to jump off a bridge, he shows George what life would've been like had he never been born.

The esteemed Neeme Järvi, head of a musical dynasty that includes sons Paavo and Kristjan, conducts the CSO for these performances. Gil Shaham, who one reviewer said, “makes even the most virtuosic music seem so effortless and natural,” performs Mendelssohn’s dazzling Violin Concerto. Combined with two of the best-loved works in the Romantic orchestral oeuvre—the bold and picturesque Peer Gynt Suite and the stirring Symphony No. 7, generally considered to be Dvořák’s finest symphonic work and an expression of his deep Czech nationalism—this program is one to savor.

The Connection

September is Fruits and

There's a reason that "eat your vegetables" is a familiar phrase in American culture. Veggies might not be everyone's favorite food, but they're some of the most important ingredients required for a healthy diet. Seniors can't afford to avoid vegetables in their regular diet. The nutrients they provide translate into real health and lifestyle benefits.

Here are a few you should try to keep in regular rotation in your diet.

1. Eggplant

Eggplants contain an antioxidant called nasunin that protects brain cells from damage. They can help keep your mind and memory stronger longer. The amount of nasunin in eggplants with darker skin is especially high, so keep an eye out for the color of those you buy, and keep the skin on when you eat them for best results. Eggplants can also help bring down cholesterol levels and improve blood flow. That makes them good for the heart and the brain – both of which have a pretty important role to play in your day-to-day enjoyment of life.

2. Mushrooms

Mushrooms are a powerful ingredient for combating disease. They help strengthen your white blood cells, which are then better warding off sickness. Some people believe they can help reduce tumor growth as well. From cancer to the common cold, mushrooms can be used as a tool to boost your immune system, and give you more sick-free days.

3. Spinach

Remember when you were young and full of energy? You may not be able to count on the kind of full, active days that were once the norm, but you can do something simple to up your energy: eat spinach. Spinach is rich in iron, which makes sure your body tissues get the oxygen they need. It also gives a good dose of vitamin C, which helps your body recover more quickly from the signs of stress, which cause fatigue.

The opening Phase-1 of work for the Central Campus IL Expansion Project (Expansion Project) is underway and gaining momentum. We are several weeks into a critical 8 – 10 week phase of the project that involves critical earthwork and underground utility relocation around the existing building. The new building requires utilities such as gas, water, sewer, electric, phone and cables to be relocated out of the footprint of the new building. To do this work we have had to shut down parking areas and build new parking areas for our residents. We appreciate the patience that all of our residents and associates have shown while we progress through this stage. Although a large part of the current work that we are doing is going to be in the ground, where nobody sees it, there are some highly visible retaining wall structures being built during this phase. This includes the largest that will be built along the east side of the building by the Lake. This retaining wall will allow for a new access road to be built for only emergency equipment and life safety squads to utilize. The utilities being relocated and area of impact (noted in light gray) are;

- ◁ Primary Electric Service
- ◁ Sanitary Sewer Lines
- ◁ Sanitary Lift Station
- ◁ Storm System
- ◁ Domestic Water
- ◁ Fire Service Line
- ◁ Phone and Cable
- ◁ Grading of the entire site
- ◁ Retaining Walls
- ◁ Parking

All the work that we are currently doing is in preparation of our October start date of the parking garage and building foundation.

Many residents have heard of the Life Enriching Communities Foundation; however, most don't know exactly what we do. In a nutshell, the LEC Foundation raises money to help support the residents of Twin Towers and Twin Lakes, primarily through the Benevolent and Pastoral Care Funds. This month, we want to tell you about our Benevolent Care Fund.

Benevolent Care supports residents who, due to unforeseen circumstances, have run out of financial resources. In other senior living communities, if residents can no longer make their monthly payments, they need to look for somewhere else to live. Because of the Benevolent Care Fund of the LEC Foundation, this is not true at Twin Lakes or Twin Towers. This is because our past residents had the foresight to set up and contribute to the Benevolent Care Fund. Residents today, and in the future, can remain a part of the Life Enriching Communities family without worry over unforeseen financial issues.

It's easy to become a part of this philanthropic group. You can make a gift to the Benevolent Care Fund by:

D o n a t i n g You can give a little every year or one lump sum.

M a k i n g a g i f t Stocks, bonds, real estate, and other property that have grown in value since you first purchased them make it possible to give a larger donation for less cost - and provide you with tax benefits.

You can also make a future gift, which will cost you nothing today, by including the LEC Foundation in your future charitable plans. Here are some ways to make a future gift that won't affect your financial situation today and may save your loved ones from a significant tax burden:

I n c l u d e t h e F o u n d a t i o n This is an easy and flexible way to extend your support.

I n c l u d e t h e F o u n d a t i o n a s a You can ask your family and friends to make a gift in your honor.

D o n a t e r e t i r e m e n t Make a simple designation on your plan's beneficiary form.
