With the opening of the newly renovated Wilson Chapel and the Easter season, here are some ideas on new beginnings:

- † Start by doing what is necessary, then do what is possible; and suddenly you are doing the impossible. ~ St Francis of Assisi
- † The secret to living the life of your dreams is to start living the life of your dreams today, in every little way you possibly can.~ Mike Dooley
- † Begin today. Declare out loud to the universe that you are willing to let go of the struggle and eager to learn through joy.~ Sarah Ban Breathnach
- † You can learn new things at any time in your life if you are willing to be a beginner. If you actually learn to like being a beginner the whole world opens up to you. Barbara Sher
- † This is the day that the Lord has made. We will rejoice and be glad in it.~ Psalm 118:24
- † For I know the plans I have for you, declares the Lord, plans to prosper you and not harm you, plans to give you hope and a future.~ Jeremiah 29:11
- † Behold I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert.~ Isaiah 43:19
