SPIRITUALITY

Page 2

Do you remember the answer to the one who came to Jesus asking what he must do to inherit eternal life? Jesus responded: "Love the Lord your God with all your heart, with all your mind, with all your soul and with all your strength."

Do you remember learning memory verses? We were told we ought to know them by heart. Today we look at loving God by heart and with all our heart.

May I give you a pattern for that? Jesus says in Luke 11...Ask, seek and knock. Everyone who asks receives, everyone who seeks finds and to the one who knocks it will be opened.

My knowing Jesus by heart climbs in intensity...in ASKING I realize that I have a need; in SEEKING I put some activity to that asking; in KNOCKING it is as if I am pounding on the door. I have more than a curiosity about what is on the other side; I am insisting on knowing.

When I was a child I was in the 4-H club...Heart, Health, Hands, and Head. Join the 4-H club spiritually...get to know God with all your heart, soul, strength and mind.

Wondering What to Leave Your Loved Ones?

Think Carefully When Considering Retirement Plan Assets:

While IRAs are excellent vehicles for accumulating assets for your use during retirement, to many people's surprise, they are a far less attractive way to pass an inheritance to loved ones. A better and easier option is to leave an IRA to a charitable organization like Twin Towers. Here's why.

The Tax Costs of IRAs:

When you name anyone other than your spouse as beneficiary of your IRA, it will be exposed to heavy taxation, leaving less for your heirs than you had hoped. The income tax bill can take as much as 39.6 percent, and that percentage can be even higher if your estate is subject to estate taxes.

A Charitable Solution:

If you've thought about contributing to Life Enriching Communities Foundation-Twin Towers, consider giving IRA assets to us and giving other assets that are not as heavily taxed to family members. As a nonprofit organization, we are tax-exempt (Tax ID No. 06-1708088), so we can use 100 percent of your IRA. To get this process started:

Decide what percentage (1-100) you would like us to receive.

Contact your IRA administrator for a change-of-beneficiary form.

Name Life Enriching Communities Foundation-Twin Towers and the gift percentage on the form.

Return the form to your IRA administrator.

Let us know about your plans so we can thank you. (We will also honor your preference for anonymity). If you have any questions about providing support to Twin Towers through your IRA, please feel free to contact: Dan McManus at x3540 or dan.mcmanus@lec.org.
