## Our New Expansion for Our Community

As we look forward to enjoying our new addition to Twin Lakes, it is exciting and a little scary at the same time because we all have different perspectives and expectations. This space is beautiful, the new cafe is stunning, the Davies Center is magnificent, and now we have a large enough place to gather together as a cohesive community!

When I reflect on our new expansion, I think of new relationships, new programming, new places to foster purpose, and new excitement for all of our Residents and Staff at Twin Lakes. Over the past few years the growth of Twin Lakes has been really fun to watch!

Our wonderful community keeps growing and developing in very exciting ways. For instance, the retail building of Stone Creek has blended into our community and added value to our living here at Twin Lakes. Now with the Courtyard, the New Cafe, the Davies Community Center, and other new and exciting structures and programs, the possibilities of adding even more quality to our lives are endless.

We are thankful for the new expansion to our community of Twin Lakes, not only because it is a beautiful building with new amenities, programs, etc. which are all very, very nice, but it is all about our people coming together with new interactions and interests with each other that makes this community feel different and special. Our first open house on May 23rd had that feeling with staff and residents walking around and interacting together in awe and fellowship as everyone toured the new spaces, mingling and sharing their excitement.

As you can tell I am excited! I am not only excited about the newness and wonder of it all, but excited about our deepening sense of a vibrant community. I love that phrase "Vibrant community" because it has such a subjective meaning to people. Everyone measures vibrancy differently, but it is all positive and inclusive. To me vibrancy is a mixture of people with the environment. The positive atmosphere is where people interact, share, and relate to each other as we are enjoying living in a wonderful environment.

Another reason I love the phrase vibrant community is because vibrancy indicates that our community is about deep and lasting relationships. I believe that life is all about relationships, and the secret sauce to positive living is developing new relationships and further cultivating current relationships.

Again as always thank you for living here at Twin Lakes, and remember that people here at Twin Lakes are valuing your relationships with them and that we honor the vibrancy in our community.

## **THE CAMPUS SHOP EXTENDS A VERY HAPPY FATHER WHO QUALIFY**

Remember Dad and Grandpa or any father figure in your life with a beautiful Father's Day card handcrafted by Ann Flournoy or with a commercial card.

At this time of the year when friends and relatives are graduating, you will find appropriate congratulatory cards and cards convenient for sending a monetary gift.

If you are in need of a gift for any occasion, look first to the Campus Shop as we have a very nice selection of scarves, jewelry, wall decorations, oven mitts, flowers and more.

Patronize the Campus Shop for all your greeting cards all year long and thereby benefit Benevolent Care and Pastoral Care Funds as all our net proceeds go to those two Funds. Thank you in advance.

Red, White and Blue will be dominant in the Campus Shop, and you will be able to find the right decorations for your villa or apartment for the 4th of July if you did not secure them for Memorial Day. We encourage everyone to purchase Ann Flournoy's hand crafted patriotic cards to send to the men and women whose service allows us the freedom to celebrate this and other holidays throughout the year.

We are sending out a very large "thank you" to all who helped make the "Bingo with a Bling" and "Auction Baskets" a success. You may have organized, worked at, attended, contributed product or money or gift cards to the auction baskets, bid on or had the winning bid on one of the baskets, purchased extra bingo cards, but whatever you did, you made a difference. All net proceeds benefit Benevolent Care and Pastoral Care Funds.

The Campus Shop will be closed on Father's Day so all of our volunteers can celebrate the holiday.

Available in the Campus Shop for your refreshment and nourishment are bottled water, Coke products and 100% juices as well as cookies, crackers and chips.

**AS WE MOVE INTO THE HOT, HUMID DAYS OF SUMMER,  
SHOP HAS COOL TREATS FOR YOU AT \$1.25  
SNICKERS ICE CREAM BARS  
KLONDIKE ICE CREAM BARS

The signup sheet for Campus Shop volunteers in July, 2017, will be available in the shop.

## Birthday Party for 1948

**Thursday, June 21st from 12:00pm**  
**Community Center**

Join us to celebrate the 70th birthday of residents Ron and Betsy Schapp's black 1948 Dodge 4-door Custom Sedan! Ron bought the car in September of 1984 with the intent of restoring it himself. After two and a half years with only portions of the front and rear bumpers removed and a daughter getting married in June of 1987, they decided to have the restoration work done by professionals. All components under the hood however are original.

Through the years the car has been known as "The Dodge." Having not decided its gender for all of these years, they thought fellow residents and associates of Twin Lakes might like to give it a name. All are invited to submit names to The Connection or the Central Campus Mail Room by Friday, June 8th. Names will be posted on a ballot in mailboxes by Tuesday, June 12th.

Please vote for your favorite name and return your ballot to Ashley or Jackie by Monday, June 18th. The winning name will be announced at 12 noon on Thursday, June 21st in the Davies Center where we will share cake and lemonade.

For those interested in reminiscing down memory lane, 10-15 minute rides will be offered during the afternoon.
