The Connection at Twin Towers Class Descriptions

Aqua-Pilates

9:00am - Tuesday and Friday

A low-impact class emphasizing strength and stretching movements which require precise breathing and muscle control. This workout also enhances muscle strength, posture, trunk stabilization and is a great stress reliever.

Low-Moderate Intensity

Aqua-Yoga

9:15am - Thursday

A beginner's yoga class focusing on flexibility, mobility, strength and a healthy mind. It is perfect for those with limited range of motion as this class helps provide support.

Low Intensity

Hydro Spin

10:00am - Monday

Hydro Spin is an intermediate to advanced energetic cardio workout class. In addition, extra resistance equipment will be used within the class.

Must Sign-up / Only 3 Spots available

Moderate-High Intensity

Aqua Level 2

11:00am - Monday, Wednesday and Friday

An energizing aerobic class combining cardio, flexibility and strength training that adds impact movements and utilizes resistance equipment.

Moderate Intensity

Tranquil Motion

3:00pm - Monday and Wednesday

Tai Chi movements emphasizing weight transference, which helps to improve balance and prevent falls. Tai Chi facilitates the flow of qi (pronounced "chee") through the body, a life energy that circulates throughout the body, performing functions to maintain physical and intellectual wellness.

Low Intensity

Liquid Essence

9:00am - Monday and Wednesday

A no impact water workout with an emphasis on core strength. Water Belts are worn and equipment such as noodles or hand buoys will be used.

Moderate Intensity

Super Seniors

9:30am - Tuesday and Thursday

A land class focused on building strength, increasing flexibility, improving balance and maintaining proper spinal alignment.

Moderate Intensity

Aqua Level 1

10:30am - Tuesday and Thursday

An aerobic class utilizing exercises that increase range of motion, flexibility and help manage pain. This class is ideal for people with arthritis, fibromyalgia or recovering from injury.

Low Intensity

Aqua Level 3

4:00pm - Monday, Tuesday, Wednesday, Thursday, Friday

9:30am - Saturday

A cardio workout of high intensity. This class incorporates combination movement patterns and uses a variety of resistance equipment during the latter part of class providing a more strength based focus.

High Intensity

Pilates for Healthy Movement

3:55pm - Wednesday

This land class will use a foam roller to assist and challenge you as you learn the fundamentals of Pilates movements. It is designed to unlock joints and muscles, improve overall posture and balance, gain core strength, and tone muscles.
