# Your Generosity at Work

We are honored to share how your gifts enriched associates and residents throughout LEC.

## Benevolent Care

As the cornerstone of our ministry, Benevolent Care ensures residents who have outlived their personal financial resources or experienced a catastrophic event can stay in their home and receive the highest quality care and service. In 2024, your support provide Benevolent Care to **90** residents in need throughout LEC. That's 1 out of every 13 residents.

**Total Contributions Received: \$1,044,600**

## Gifts With Other Purposes

Your gift can be designated for a specific purpose, such as Associate Assistance, scholarships, Hearts for Hospice, and special projects in your community.

**Total Contributions Received: \$208,000**

“The good we do together surpasses the good we can do alone”

**Benjamin Franklin**

## Pastoral Care

The heart of our ministry is Pastoral Care. Chaplains serve you, residents, and their family members by providing home visits, worship services, funeral services, pastoral support, Bible studies, and hospital visits. These services are vital to our communities to ensure spiritual, and emotional well-being. These services are available to people of all faith traditions.

**Total Contributions Received: \$79,300**

## Greatest Needs

One of our Greatest Needs is long-term nursing care for residents on Medicaid. This reimbursement only covers a fraction of the cost of long-term care. In 2024, **155** residents in Skilled Nursing were supported through Greatest Needs. Your gift to Greatest Needs is also critical in filling gaps and supporting other initiatives within our communities.

**Total Contributions Received: \$457,700**

## Living Legacy Club

The Living Legacy Club is a group of exceptionally committed individuals who have provided critical, long-term support through their estate plans to impact the lives of LEC residents and associates. **17** of our supporters have demonstrated their commitment to LEC through gifts of life insurance, real estate, stock and other assets; bequests through a will or living trust; charitable gift annuities, and entrance fee refunds.

In 2024, **6** of our Living Legacy Club members passed away and **gifted \$993,000**.

## Endowment

**7** of our supporters made gifts to the endowment, totaling over **\$876,500**. These gifts have been invested and bring the total Endowment value to over **\$18 million** to support Benevolent Care, Pastoral Care, and Greatest Needs.

## 2025 and Beyond

When you make a gift through the LEC Foundation you strengthen your community and ensure support for LEC residents and associates now and in the future. On behalf of Life Enriching Communities, we extend our sincere gratitude and thanks!
