

Associate **TESTIMONIAL**

What is your role in your community?

I am the Therapy Coordinator at Concord Reserve.

What services does your team provide to your clients?

We provide physical, occupational, and speech therapy.

What kinds of goals do your clients have, and how do you help them to achieve those?

Depending on their current level of function, recent accidents, and recent increase in pain, we base our goals mainly on what they need help with.

What benefits do seniors gain from our therapy services?

We help our clients to function in the best way possible so they can get back to enjoying their lives.

What is rewarding about your work with older adults?

It's rewarding to be the person they can trust to guide them with issues related to functioning in everyday life.

What do you wish more individuals knew about therapy services?

I want people to know that our team is truly here to help guide you to living your best life!

Are there any successes you are particularly proud of and would like to share?

I was really proud to guide a 92-year-old patient from requiring full care to being home within two weeks, living independently again.
