A Note from Executive Director, Paige Trotta

What a wonderful fall season we've had at Wesley Woods! We had a fantastic turnout for our annual Walk for Alzheimer's, bringing residents, families, and team members together in support of a cause that touches so many lives. It was a wonderful reminder of the strength of our community and the difference we can make when we come together. I hope you enjoy the photos from this special event included on this page!

We also had loads of fun celebrating the Halloween season. Our Eat, Drink, and Be Scary Happy Hour was a spooktacular way to get everyone into the Halloween spirit. A few weeks later we continued the festivities with our annual Halloween Party, which was a huge success!

It was especially heartwarming to welcome so many family members, along with our team members' families, for a fun-filled evening of trick-or-treating throughout Wesley Woods. Seeing our community filled with children in costumes and smiling faces is always such a treat.

As we turn the calendar to November, I find myself looking forward to one of my favorite times of the year. Not only does November bring the joy of Thanksgiving, but it also gives us the opportunity to recognize and celebrate our Veterans. On November 11th, we will host a special Veterans Day celebration to honor the men and women who have served our country and who now live and work at Wesley Woods. Following the celebration, we will treat our Veterans to a special lunch as a small token of our appreciation for their service and sacrifice.

Of course, November wouldn't be complete without gathering around the table! We look forward to celebrating Friendsgiving on November 18th, followed by our Thanksgiving Day Feast on November 26th. Both occasions will give us another opportunity to enjoy delicious food, wonderful company, and the friendships that make Wesley Woods so remarkable.

As Thanksgiving approaches, I am reminded of just how much I have to be grateful for. I feel incredibly fortunate to be part of this wonderful community and to work alongside such caring, dedicated, and talented individuals each day. Our residents, families, and team members are what make Wesley Woods such a special place, and I am truly thankful for each of you.
